## January 19, 2025 Second Sunday in Ordinary Time Readings: Isaiah 62:1-5; 1 Corinthians 12:4-11; John 2:1-11

## From Father's Desk -

In the liturgical calendar, we've finished the Christmas season and have returned to Ordinary Time. We have switched, now, from white to green with the primary color of the season, as I believe all of our altars will bear an altar cloth with the green embroidery indicating the season of Ordinary Time. Thank you, once again, to our decorators for your work in putting out all of the trees, nativity sets, lights and all the rest. It helps us celebrate each feast and each season. In your homes, of course, I again encourage you to keep your Christmas decorations out until February 2<sup>nd</sup>, the Feast of the Presentation of the Lord.

February 2<sup>nd</sup> is the 40<sup>th</sup> day of Christmas as it would have been the completion of 40 days of life for our Savior. It was then that he would have been presented in the temple in Jerusalem. Even though this feast isn't traditionally viewed as part of the mystery of the Epiphany—the revelation of the God-man, the Christ child to the world—nonetheless, it has a certain revelatory aspect to it. As he is presented, two holy and devout Jews, Simeon and Anna, each separately prophesy about the infant Jesus. Simeon in particular in his prayer of praise to the Lord for allowing him to live to see the arrival of the Messiah calls Jesus "a light for revelation to the Gentiles".

As Jesus is the light of the world, we symbolize His light with candles. The Paschal candle in particular is a sign of Jesus the Light of the world, the light which illuminates the night, which illuminates the darkness of our hearts and minds. Candles are essential to our worship for this reason—they are not merely there to provide light in order to read the books at Mass. Nowadays, of course, we have much better and brighter electrical lights for that purpose. The candles are also representations of the light of Christ, and that he gives light, meaning and understanding to all we do.

For this reason, the Church has developed a longstanding practice of celebrating the Presentation of the Lord as Candlemas, "candle-Mass". On February 2<sup>nd</sup>, at the beginning of the Mass, candles are blessed. All the faithful at Mass hold candles in their hands, like at the Easter Vigil, and there is a procession with these lights to celebrate the light of Christ—the "light for revelation to the Gentiles". As February 2 is a Sunday this year, we will have this blessing of candles at the beginning of all three of our Sunday Masses, as the Church prescribes. It is a meaningful ritual and helps us concretely celebrate the full liturgical conclusion of Christ's infancy with His presentation in the temple.

In Christ,

Fr. Parrott
